Ma'am Maria Regina Frejas
Professor, Reading Visual Arts

Dear Ma'am Frejas,

I hope this message finds you well. I would like to inform you that I was unable to attend our Reading Visual Arts class because I was waiting for my next checkup with my orthopaedic doctor. The purpose of the checkup was to assess the current situation of my fracture and to get my doctor's advice on whether I am able to return to school.

I hope you will kindly consider my reason for missing the last two sessions. Thank you for your understanding.

Sincerely,

Manuel Marin
